**16. “TODAY’S WORLD” RESPONSE TO EMERGENCIES
IN FIXED INDUSTRIAL SITES**

Industry is being forced to make cuts in personnel, training and sometimes maintenance. The result has been an increase in the number, severity and complexity of fire department responses to fixed site facilities. This class will benefit officers from departments which have industrial facilities in their protection area. The class will address fire, rescue, EMS and hazardous materials incidents. Join these instructors as you explore providing protection to these facilities while providing safety for your personnel.

This is a **ONE DAY CLASS** and will be offered on **SUNDAY ONLY**

INSTRUCTOR: JODY MEIMAN, LOUISVILLE FD
ERIC DUFFY, PLEASURE RIDGE PARK FD

Jody Meiman is a 15 year veteran of the fire service. He started his career at Lake Dreamland FD in Louisville and is currently a Captain and Training Officer. Jody joined the Louisville FD in 1995, where he spent 2 years on an engine company and 8 years on a truck company. Jody is currently a Captain and is assigned to the Louisville Fire Academy. Jody has an Associates degree in Fire Science. He is a Task Force Leader on the Louisville Metro Urban Search and Rescue Team, and a Command Officer with the Metro Louisville HazMat Team.

Eric Duffy is a Lieutenant Colonel with the Pleasure Ridge Park Fire Protection District in Jefferson County.
