

2010 OFFICERS SCHOOL
Green River Firefighters Association
February 19, 20 & 21, 2010
Lexington Convention Center – Lexington KY

4. Offensive Tactical Operations

Many have read the text book “Structural Firefighting - - Strategy and Tactics.” During this class, co-author Ben Klaene will bring the book to life. This offensive tactical operations class will include Life Safety Operations, Extinguishment and Property Conservation. These will be reinforced through problems applying life safety, rate-of-flow, and property conservation.

The class will include development of incident action plans based on size-up, deploying units and organizing fireground operations using NIMS.

This is a **ONE DAY CLASS** and will be offered on **SATURDAY** and **SUNDAY**

**INSTRUCTOR: BEN KLAENE, FIRE SERVICE LEADER,
AUTHOR, PROFESSOR**

Ben Klaene is the Co-Author of Structural Firefighting, published by NFPA in 2000, and revised with a second edition published by Jones and Bartlett in 2008. Ben is the Co-Author of the bi-monthly Structural Ops article in the NFPA Journal.

Ben served for 30 years with the Cincinnati Fire Department, completing his career with Cincinnati as their Training / Safety Chief. Ben served more than 25 years as a coordinator and adjunct professor in fire science with the University of Cincinnati.

Ben has served the National Fire Academy in various capacities including teaching Hazardous Materials - Incident Analysis, Firefighter Safety—Program Implementation and Management, Incident Safety Officer, and Health and Safety Officer courses, as well as, a subject matter expert in course development for the Degrees at a Distance program. Ben has earned associate and bachelor degrees in fire science and a masters degree in education.
