105 “The First Line” Engine Company Operations

“The First Line” Engine Company Operations will allow the firefighter to learn “Hands-On” fire hose operation techniques and advancing skills during live fire scenarios using the Fire Blast Trailers, car fire burn props, and other propane burn props. This course will offer a great training opportunity for the new firefighter that has not yet had a chance to work a fire at these types of incidents or for the firefighter seeking to polish their skills and learn new techniques for hose/nozzles during live fire scenarios.

PRE-REQUISITES/EQUIPMENT NEEDED

Prior completion of subjects listed on the Live Fire Course Competency Validation form. This form must be mailed in with payment. Full PPE & SCBA with a spare cylinder is required. All PPE must be less than 10 years old and SCBA cylinders within hydrostatic test date. Any student with facial hair that impedes the seal of the face piece will not be allowed to participate.

This 4-day course will be offered Thursday-Sunday.
