202 Fire Officer II

This course is designed for the Fire Officer who is ready to assume more of a leadership role by moving into the middle-management level of his/her department. This course expands on the knowledge-base attained in Fire Officer I and also adds additional material including Management, Government Structure, and Departmental Budget Planning and Management. This course is based on the content of **NFPA 1021: Standard for Fire Officer Professional Qualifications**.

CERTIFICATION PROCESS

An attempt at IFSAC certification is available if desired on Sunday or you can schedule at your convenience at a SFRT office location. Candidates will submit a completed application to the Kentucky Fire Commission. The candidate shall remit the prescribed written test sitting fee of \$25, payable by fire department check or money order when taking the written exam. The skill portion of the evaluation will consist of a portfolio that will be explained in class and submitted at a later date.

PRE-REQUISITES/EQUIPMENT NEEDED

All class participants will need to bring a laptop. All students will need to purchase IFSTA Fire and Emergency Services Company Officer 6th Edition textbook prior to the class starting. It is highly encouraged that the students also purchase the study guide that goes along with the textbook. The study guide will help prepare the student for the certification testing. To certify at this level, you must already possess: IFSAC Accredited Firefighter I and II, IFSAC Accredited Fire Instructor I certification; and IFSAC Accredited Fire Officer I certification.

This 4-day course will be offered Wednesday-Saturday with optional written exam given on Sunday.
