202 Fire Officer II

This course is designed for the Fire Officer who is ready to assume more of a leadership role by moving into the middle-management level of his/her department. This course expands on the knowledge-base attained in Fire Officer I and also adds additional material including Management, Government Structure, and Departmental Budget Planning and Management. This course is based on the content of **NFPA 1021: Standard for Fire Officer Professional Qualifications**. This class will be student-centered learning with group assignments for class presentation and skill sheet assignments.

CERTIFICATION PROCESS

An attempt at IFSAC certification is available if desired on Sunday; students may also schedule written testing at their convenience at a SFRT office location. Candidates will submit a completed application to the Kentucky Fire Commission. The candidate shall remit the prescribed written test sitting fee of \$50, payable by fire department check or money order when taking the written exam. The skill portion of the evaluation will consist of a portfolio that will be explained in class and submitted at a later date.

PRE-REQUISITES/EQUIPMENT NEEDED

IFSAC Fire Officer I. All class participants will need to bring a laptop and students will need to purchase IFSTA Fire and Emergency Services Company Officer 6th Edition textbook prior to the class starting. It is highly encouraged that the students also purchase the study guide that goes along with the textbook. The study guide will help prepare the student for the certification testing.

This 4-day course will be offered Thursday-Sunday (with optional written exam given on Sunday).
