

SINGLE RESOURCES AND INTIAL ACTION INCIDENTS – (ICS-200)

Course Description:

This course is designed to introduce the student to the Incident Management System (ICS). ICS is a key feature to the National Incident Management System (NIMS). This course provides training on and resources for personnel who are likely to assume a supervisory position within the ICS.

This course is one of a series that is required for NIMS Compliance.

There is an exam associated with this course. It is recommended that students go online to <http://training.fema.gov/EMIWeb/IS/IS200b.asp> to take the final exam. Taking the exam online will get the student certificate in a shorter timeframe.
