

INTERMEDIATE ICS FOR EXPANDING INCIDENTS FOR OPERATIONAL FIRST RESPONDERS – (ICS-300)

Course Description:

This course provides training on and resources for personnel who require advanced application of the Incident Command System (ICS). The target audience for this course includes individuals who are expected to perform in a supervisory or tactical level management role at an incident or event. This includes individuals who may serve as Division or Group Supervisors, Strike Team or Task Force Leaders, Unit Leaders, or multiagency coordination system/emergency operations center (EOC) staff.

This course expands upon information covered in the ICS 100 and ICS 200 courses.

Pre-requisites: ICS 100, ICS 200, ICS 700

Textbook: ICS 300 Student Manual

Class length: 24 hours
