**Purpose:** The purpose of this program is to identify experienced fire service personnel who demonstrate competency in the performance requirements necessary to perform the duties of an instructor of firefighters. The NFPA 1041 Standard for Fire Service Instructor Professional Qualifications identifies the minimum requirements for a firefighter who has demonstrated the knowledge and ability to deliver instruction effectively from a prepared lesson plan. A person certified at the Fire Instructor I level will have demonstrated competency in the necessary knowledge and skills, to perform at the first level of progression as a fire service instructor.

**Certification Process:** A person submits a completed application to the Kentucky Fire Commission. The candidate shall remit the prescribed written test sitting fee, attempt a written examination of 50 multiple choice, true/false or matching questions and participate in a skills examination. Upon successful completion of the written and skills exams, provide all documentation, fees are submitted and prerequisites are satisfied, the candidate shall become eligible to receive an accredited certification from the Kentucky Fire Commission.

**Knowledge and Competency Areas Tested:** Management of basic resources and the records and reports essential to the instruction process, the review and adaptation of prepared instructional materials, delivery of instructional sessions utilizing prepared course materials, and administration and grading of student evaluation instruments.

**Prerequisites:** IFSAC or ProBoard Accredited Certifications in the following areas:

- Firefighter I
- Firefighter II
- Haz-mat Awareness
- Haz-mat Operations

**Textbook:** IFSTA – Fire & Emergency Services Instructor, (Current Edition)

Pre-registration required to ensure a class minimum of 10 students.
